ASKOLL EVA: NEW ORDER FOR 650 SCOOTERS FOR A VALUE OF MORE THAN 1.85 MILLION EUROS BY COOLTRA, LEADER SHARING OPERATOR IN EUROPE

Dueville (VI), February 4th, 2022 - Askoll EVA SpA operates in the sustainable mobility market by developing, producing, and marketing e-bikes, e-scooters, kits and components in the area of electric motors and batteries. The company announces having received a new order for 650 scooters, from Cooltra, leading European sharing operator, for a total value of over € 1.85 million.

The agreement provides the supply of Askoll eS2 Sharing scooters, which will be used in Italy and France.

Askoll eS2, designed to transport two people, is the best-selling electric scooter in Italy. A snappy, handy and highly versatile vehicle chosen not only by individuals but also by the leading operators in e-sharing services.

According to **Timo Buete fish, CEO and co-founder of Cooltra**, "Askoll is a key partner in Cooltra's growth plans. This new acquisition will strengthen our fleet in France and Italy, thus reinforcing our position as a leader in sustainable two-wheeled mobility in Europe".

Chief Executive Officer Gian Franco Nanni said: "The new year has started under the best auspices, given the new order of over 1.8 million euros from a leading European sharing operator. The new scooters will strengthen the client's fleet in Italy and France: two critical markets for Askoll EVA, where we play a top player role in the sharing sector and professional and private channels. We do not want to stop here, and for this reason, we are working on new projects to continue to lay the foundations for future growth, looking for new commercial outlets. As in the case of the recent distribution agreement in France for professional vehicles and fleets with E.ZY LOC, a French company specialized in electric scooters".
